Additional Accreditation & Approvals

All School of Education certification and endorsement programs are approved and accredited by the Iowa Department of Public Instruction, pursuant of Chapter 79, Code of Iowa.

Drake University is also an approved provider in the state of New Jersey (Provider Number 463) and for Act 48 credit in the state of Pennsylvania.

Our Model:

Our courses are designed using a lesson study teaching model.

- ▶ **Analyze**
theory and practice to discuss the research and content related to standard-based learning
- ▶ **Reflect**
on individual student needs
- ▶ **Plan**
how to implement effective teaching and learning strategies
- ▶ **Implement**
strategies to help students meet curriculum goals and standards
- ▶ **Assess**
the effectiveness of the implementation by analyzing the quality of students' work

Inquiry Project

The Inquiry Project allows you to identify an issue in your professional setting that relates to the course content and apply the content to your own situation. You are guided through a step-by-step process of planning, implementing, analyzing and evaluating strategies and techniques learned in the course.

Alternative summer lesson plan assignment for educators not currently teaching in a classroom – develop lesson plans that convey the major thrust of the problem-based learning approach selected. Using a lesson plan template, you will create detailed lesson plans that are implementation-ready for any other educator.

Policies and Registration Information

Graduate Credit & Transfer Information

- Courses are designed as 1-, 2-, or 3-credit hour options (with the equivalent of 15, 30, or 45 contact hours, respectively). Upon successful completion of a course, graduate credit will be awarded by Drake University.
- Students cannot take both the online and video versions of the same course for credit.
- The fee for transferring from one section of an online course to another is \$50 within the first 30 days of a course, \$100 at any point thereafter.
- Enrollment for online courses ends 1 week prior to their start date.
- For information pertaining to certification or credit, check with your advisor or local guidelines as applicable.
- **Current Drake University graduate students may use these credits as an elective in a degree program with advisor approval.**
- Graduate credit from Drake may be transferable if you receive prior approval from the university you are attending for your degree program. Please check with your advisor.
- Credits awarded by Drake may be applicable for professional recertification or salary adjustments. Check your state education agency or local school district guidelines.

Grades and Transcripts Policy

- Grades will be processed within 60 days after you submit your coursework.
- Current students may view grades online by going to www.drake.edu. Select "blueView" in the upper right-hand corner and enter your User Name (Drake ID number) and your Password (initially set to your birth date in MMDDYY format.) Then select the "Student Services" tab.
- Drake University instructors grade all assignments. All coursework will be returned when a stamped self-addressed envelope is included with completed video coursework.
- After you complete your distance learning course, Drake University will mail one official transcript directly to your home. Transcripts are mailed weekly after your course grade has been entered. If you are taking more than one course, you will receive a transcript for each course.

Classroom Requirements

If you aren't actively teaching at the time of your coursework—whether due to extended leave or summer vacation—don't fret, you can still take our courses*. Contact Customer Care at **800.463.4951** for more information. All courses have alternative assignments for teachers without direct access to a classroom.

* A classroom is required for EDEX 233 "Developing Your Professional Growth plan".
